Ah!
Ehh—?
Ono—
Go take out the trash—
MUTTER
MUTTER
Why me!?
Ono... san?
Have I seen something I shouldn't have?
HYA!

The girls think I'm just trying to be sarcastic or brag when I complain.
Perverts are always going after me because of this chest of mine.
I've gotten kind of used to it, but...
And the boys tease me.
I guess it doesn't fit my image, huh?
You don't seem like someone who'd cry over that.
The boys were teasing you because of your chest?
I-
When it's five or six of them all at once, I just can't contain myself...
Okay, I understand, now stop blowing your nose on my chest!
IT'S NOT LIKE I WANT TO HAVE HUGE BREASTS—!!
びん
THBBBBBT

I absolutely do not want anyone to see me crying.
It'd be frustrating if people knew that I cry just from being teased.
But...
So keep this a secret from everyone, okay?
.....
Your tears just won't stop flowing...
So...
BLOW NOSE
More like your snot just won't stop flowing, but...
Pocket Tissues
I bet the reason why people are mean to you is because you say things like that.
You can, Ono-san? Why?
I'm teased for being flat-chested.
I'm the opposite of you.
Being teased because of your chest size...
I can understand that...

It's refreshing to cry every so often, you know
But you were just crying -
If you can't take out the gas take out the water
It'd be pretty frustrating to cry at every one of these kinds of comments
It's so stupid
They just say whatever they want.
I know right?
"I can't tell your back from your front,"
Those boys have no delicacy...
And, "If the washing machine ever breaks, you can loan out you chest as a washboard."
Go right ahead~
NO
POKE
But I'm a little jealous, you know.
I wish you could just stick these onto me like the kobutori jiisan.
Kobutori Jiisan - See credits.
Kya~
DOING
Well, you said, "like the kobutori jiisan!"
That would just make "The amazingly homely girl with the tumors!"
Wah!

Okay, then call me Ai.
Just call me Erika
Ahahaha What a laugh!
It's like the bad feeling I had just flew away!
Thanks, Ono-san!
And I though that you were the type to not have any worries, but you're surprisingly delicate, Ai.
I thought you were all serious,
But you're actually a pretty fun person, aren't you, Erika-chan?
STROKE

Erika-chan?
U... Umm...
STROKE
STROKE
Hm?
S-sorry!
I was going to pat you on the head, but I was still thinking about breasts so my hand just made a mistake!
Geez, how much are you going to make me laugh?
No, I'm serious!
Eh...?
Umm, well...
If you don't mind, Erika-chan, could you pet me some more...?

What we're doing is getting kind of weird, isn't it?
AH...
PET

O...Okay, then...
W-what do you mean?
Just like before, as if you were petting my head...
It felt good...

Wh t's this? Ai's face is so sexy...
HAA
Huh?

I-It feels that good?
Yeah...
W-what should I do...?
Up until now it's always been uncomfortable when my breasts are touched..
HAA...
To want to be touched more like this is...
Me too...
It's not juat that I want to touch you more...
The face that you're making now...
I want to...
See more...
KISS...

No... It'a embarrassing, Erika-chan...

Well of course you were! Showing off your body so much by wearing those clothes...
And besides that, you're really cute!
But... I...
I just wanted to show myself to you, Erika-chan
That kind of thing...
Under-stand?
You usually hide and save for later!
Later?
You say we're saving it for later?
Okay, let's go
